Is it for me?

If you're already kiting independently then the answer is yes... If you've already exceeded 13th in the kite surfing world rankings then you've probably already completed a number of our Kite Clinics!

Not quite independent yet? Beginner lessons can be arranged in the UK at a reduced rate prior to the Kite Clinic.

YOUR TRIP

DAY 1

16/10/11

Four hours on the plane and you will land in Egypt, land of the Pharaohs and warm, constant, winds. Met at the airport, we will transfer to the Paradise Resort, Ras Sudr, for six days kite surfing.

PARADISE RESORT - HALF BOARD

DAY 2 - 7

17 -22/10/11

We love Ras Sudr because it's so windy, we don't have the stats as the winds are mostly thermal but we have been using the spot for the last five years. The kite centre set up is one of the best we've seen and the flat water conditions, clean wind and expanse of space are perfect for our Kite Clinics.

Enjoy a great week with like minded kitesurfers whilst having everything taken care of and nothing to worry about other than which kite to use... well, to be fair we're here to help you out with that too.

You're coming to have a great time and kite to your heart's content; we're there to take care of your needs and open your eyes as to what you're able to achieve with a week of professional coaching. Individually tailored coaching sessions will be running each morning and afternoon and you'll have the flexibility to kite as much or as little as you wish.

You'll be immersed in kite surfing from day one, regardless of it being day or night, whether on or off the water... we offer two 2.5hr water based coaching sessions each day, kite as much as our bodies allow and spend much of our time off the water reviewing our kiting sessions and coaching. Lunchtime snacks can be bought at the kite centre on the beach for minimal cost. There are no hidden charges; just bring some money for drinks and lunchtime snacks.

Coaching is tailored to each individual's needs, goals and ability; your instructors for the week are perfectly suited to Kite Clinic tuition and are experienced professionals with proven track records in progression coaching.

Live kite surfing with us for a whole week and you'll have a great time improving with your riding, tricks and general understanding and ability.

PARADISE RESORT - HALF BOARD

DAY 8 23/10/11

All good things must come to an end - or be put on hold until a swift return. Look forward to checking out your photos and remember to share the best ones with us please.
