

KITESURFKINGS

Zanzibar 2020

!!! 10th Year Anniversary Trip !!!

Mixed ability kitesurfing holidays - 12th to 22nd of Jan & 26th Jan to 5th Feb 2020 (IN COUNTRY)

Let's make this an extra special one...

Each year feedback is of the best kitesurfing holiday imaginable and astonishment at the incredible value; each year we push ourselves to improve on the last. As it's over 10 years since our launch trip in Sept 2010 we've added extras including surfing trips, a photographed reef downwinder and a SUP downwinder along the reef to our awesome 2020 itinerary. Abilities are always mixed, as are ages, backgrounds and genders. It's one perfect kitesurf family adventure for lovely dudes.

Why so excited?

Guaranteed sunshine, trade winds, white sands, flat turquoise waters, lush waves, reef breaks, kiting straight off the beach and at the best spots in Zanzi. We're also getting excited thinking about the downwinders, kite safaris, surf trips, SUP downwinder, hydrofoiling and progression sessions we'll be enjoying. Each trip is different and each trip's incredible! We've a sweet base and team looking after us in Paje and you have two Kitesurfkings instructors flying out from the UK to take care of your every need.

Kiting for all

We've worked hard to create the dream kitesurfing holiday that's open to everyone regardless of their level of experience and come up with a trip that caters for complete beginners through to kitesurfing pros and even caters for non-kiters. With two Kitesurfkings instructors and a full support network of instructors and beach support in country, you can choose between an instructor led progression session or instructor led downwinder depending on your mood.

Something for everyone

Happy with basic accommodation or require a room upgrade to your own sea view, air-con, TV and chill out space? Evenings out with the group or private down time? Feedback tells us we've created the perfect trip that caters for everyone... but there's even more if you want it! Our Kenya Multi Spot Trip runs from the 10th to 19th Feb - join us for the double!?!

More info

Inclusive accommodation consists of a bed, fan, mosquito net and toilet/shower facilities walking distance to the beach and kite centre. There will be people wishing to share rooms and we can help match you guys up. If you require a single room there will be a supplement.

There are various room options to ensure the perfect holiday. If you don't mind the walk and like the 'jungle' vibe then Jan's Airborne Kite Village is a beautiful spot set around 10mins walk down the beach and one plot back. Luxury tents with open en-suite bathrooms sit in lush gardens (see first 3 pics to the left).

For many it's too hot not to have air-conditioning and on recent trips everyone has chosen to upgrade to the Suites.

The Suites, directly next to the kite centre, are spacious air-conditioned suites with private outside space and a lush swimming pool right on the spot (3 pics at bottom of page). I stayed there for the first time on the 2016 trip and each trip since, it's a game changer so I have booked my room at the Suites once again for these 2020 trips. The Suites is certainly the top choice on the beach but next door there's another option with large, smart air-conditioned rooms in case the Suites are full. Room availability for all options is extremely limited and is on a first come first served basis.

Breakfasts are included and it's up to you whether you take breakfast where you stay or a group breakfast next to the kite centre. Lunches and dinners are bought separately unless part of an excursion, this offers maximum flexibility to enjoy the best that Zanzibar has to offer. There are great dining options locally and we arrange meals at island hotspots. Food in Zanzibar is excellent and reasonably priced too, expect to pay between £6 and £10 per meal at restaurants, luxury sea food at an exclusive location could set you back a bit more but local options are also dramatically less.

Every waking hour can be spent in jaw dropping surroundings, learning, participating and progressing but if you want to sneak off for some hammock time or a post kite massage it's all too easy... remember, this is your dream holiday so dream away.

There's way too much to share about this wonderful trip, hopefully the photographs will tell a story of their own. Please do get in contact to chat about the trip and to get your names down ASAP.
